*A great place for
your child to grow!*

Downtown YMCA Licensed Child Care – Full-Day Preschool for ages 33 months – 5 years

YMCA PRESCHOOL

The YMCA Preschool program offers a distinctive learning experience in a fun, nurturing environment. Qualified Preschool teachers, assist children in the development of classroom socialization, create a passion for learning and prepare them for school success. All of our program activities are interwoven with the four YMCA core values of caring, honesty, respect and responsibility.

The YMCA Preschool program is conveniently located in newly renovated classrooms on the first floor at the **Downtown YMCA, 30 S 9th Street, Minneapolis, 55403.**

The YMCA is connected through the skyway system and has a three car pick up/drop off lane. Working parents can take advantage of the car pool lanes and spend more time with their child each day by choosing child care close to work. Parents can stop in to visit their child during the day, share lunch time together, or observe them during swim time.

The YMCA location affords many amenities such as state of the art classrooms, cafeteria, gym and swimming pool. Y Preschool develops physical, emotional and social competencies, providing more learning opportunities for your child than any other preschool program.

ENRICHMENT ACTIVITIES

The YMCA recognizes that children learn in different ways. The full-day format strengthens learning by utilizing the Creative Curriculum and additional enrichment activities round out the academic curriculum. A nutritious breakfast, lunch and snack are provided and children are given quiet or nap time.

Enrichment Activities Include:

Splash: introduces children to a safe aquatic environment where fun games help them to become comfortable in and around water.

Kidz Fit: builds a foundation of healthy habits while having fun. Your child will enjoy learning about the importance of taking care of their bodies, exercise and movement.

Music and Movement: explores musical concepts in a variety of ways including singing, dancing, rhythm activities, finger play and musical instruments. These activities help to bridge the connection between music and movement, and develop large and small motor skills, focused listening and self-expression.

Other activities include computers, multi-cultural studies, arts & crafts, sign language or Spanish lessons.
